GLOBAL™
VALVES AND FITTINGS CO.
Advance Technology to Control
(An ISO 9001:2008 Certified Company)

ABOUT US

GLOBAL Valves & Fittings Co., founded in 1995, has established itself in the field of manufacturing precision Tube Fittings, Manifold Valves, Pipe Fittings and Instrumentation Valves. With a team of dedicated engineers GLOBAL has always endeavored to satisfy their customer's ever widening demands with unmatched precision.

With the advent of automation and the ensuing innovative know-how, smooth control of all process function is becoming more and more complex and dynamic. For the optimum efficiency of large Petrochemicals, Fertilizers, Refineries, Power station, Gas chromatography and other complex, designers have no alternative but to look for equipment quality, technical support, field service and a supplier who could blend all these concepts in to every installation.

Quality Policy Strict quality assurance system is being followed in all our departments and Total Quality Management is applied to streamline all the procedures and practices in operation to achieve high standard of efficiency. Continuous efforts are being made for improvement of technology and equipments to give best quality products at the most affordable prices.

Application Industries

- ✓ Aerospace & Aircraft System
- ✓ Agriculture Machinery Equipments
- ✓ Analyzer-lab & Testing Equipments
- ✓ Automation Machinery
- ✓ Automobile & Heavy Mobile Vehicle
- ✓ Car Care Systems
- ✓ Cement Industry Machinery
- ✓ Chemical Machinery
- ✓ Cooling & Heating Systems
- ✓ Engines & Railways
- ✓ Food & Beverages Equipments
- ✓ Fuel Cells Components
- ✓ Hydraulic Press & Power Packs
- ✓ Hydrostatic Drive Systems
- ✓ Industrial Mining Equipments
- ✓ Life Sciences
- ✓ Machine Tool Application
- ✓ Marine Project
- ✓ Material Handling Stores
- ✓ Military
- ✓ Multi Parking Systems
- ✓ Offshore Engineering
- ✓ Oil Mill Plants
- ✓ Oil & Gas Industries
- ✓ Packaging Equipments
- ✓ Paint Industries
- ✓ Plastic/Rubber Processing Machines
- ✓ Pollution Control Equipments
- ✓ Power Generations Systems
- ✓ Pulp Paper Machinery
- ✓ Refineries
- ✓ Steel Plant & Rolling Mills Mfg.
- ✓ Super Market Storage & Rack System
